

Motorhome/RV spaces at Marina Muiderzand

Just a couple of miles from the race area there's a large campsite for triathlon use only. This site, located at the far end of the running course, is meant for self-supporting motorhomes, as there's no power or water supplied. The site does provide in showers, toilets, a restaurant and a little supermarket on the Marina. Marina Muiderzand is situated at a location that is very suitable for training. It has beaches just outside the campsite enabling to swim in open water and direct access to a large network of cycle tracks. The race area is at a distance of 8km by bike. Nearest access point for public transportation can be found at the 'Topsporthal', also the location of the Closing Ceremony (Sunday August 31st).

A parkingspace at Marina Muiderzand costs €6,- for an overnight stay and is possible from 10.00 am Monday August 25th until 8.00 pm Monday September 1st. A spot can be booked by e-mailing name and length of stay to info@marinamuiderzand.nl, clearly stating UPC Holland Triathlon in the subject.
